† Data file received from NSW Health on 22 January 2019.

§ On 30 October 2018, services at Manly and Mona Vale hospitals were transferred to Northern Beaches Hospital. BHI has not reported on the timeliness of emergency department (ED) care at Northern Beaches Hospital because of challenges experienced in the implementation of a new information system at Northern Beaches ED following its opening. BHI cautions against comparing results for Manly and Mona Vale hospitals with other hospitals because results only cover part of the reporting period. *Healthcare Quarterly* only includes data relating to publicly contracted services at Northern Beaches Hospital.

† Data file received from NSW Health on 22 January 2019.

§ On 30 October 2018, services at Manly and Mona Vale hospitals were transferred to Northern Beaches Hospital. BHI has not reported on the timeliness of emergency department (ED) care at Northern Beaches Hospital because of challenges experienced in the implementation of a new information system at Northern Beaches ED following its opening. BHI cautions against comparing results for Manly and Mona Vale hospitals with other hospitals because results only cover part of the reporting period. Healthcare Quarterly only includes data relating to publicly contracted services at Northern Beaches Hospital.

Appendix Table 4c: NSW Emergency department performance measures by peer group

Percentage of patients whose treatment started within clinically recommended timeframes by NSW hospitals and hospital peer groups, October to December 2018

	Triage 2	Triage 3	Triage 4	Triage 5
