Dear <First Name> <Last Name>

I invite you to complete an online questionnaire about your experiences of virtual care appointments. Your virtual care appointment may have been held over the telephone or by video call.

I would be grateful if you could complete the online questionnaire at your earliest convenience.

Your feedback will be used to help improve healthcare experiences and outcomes for patients across NSW.

Any information you provide will be treated confidentially, and the health professionals who cared for you will not be able to see your responses.

If you have questions, or need help, please contact the survey helpline on 1800 220 936 (Monday to Friday, 9am–8pm).

For further information about patient experience across hospitals in NSW, including results from previous surveys, visit bhi.nsw.gov.au

Yours sincerely

Dr Diane Watson
Chief Executive

Your feedback about your experience will help improve virtual healthcare

When completing this questionnaire, please think about your experiences of healthcare appointments over the telephone or by video call. These are known as virtual care appointments. Any information you provide will be treated confidentially, and the health professionals who cared for you will not be able to see your responses.

For each question, please mark clearly in the box next to the answer you choose using a blue or black pen. Don't worry if you make a mistake; simply fill in the box and mark in the correct box.

Sometimes response options have a 'Go to...' instruction which directs you to skip any questions that do not apply to you.
