* Values suppressed due to small numbers and to protect privacy. Suppressed data have been excluded from LHD totals.

** Use caution when interpreting these results - more than 30% of total records where transfer of care cannot be calculated.

† Comparisons should be made with caution – South East Regional Hospital replaced Bega District Hospital, which provided different services.

ED Transfer of care time is not currently available for this hospital.

Note: Emergency department activity includes 131 facilities for which electronic data are reported. These facilities account for approximately 95% of NSW emergency department activity.
