Dear <First Name> <Last Name>,

Your feedback about your hospital experience is important

I am writing to invite you to provide feedback about your recent visit for emergency care at [Hospital Name] during [Month]. This questionnaire uses 'emergency department' or 'ED' to refer to any emergency, urgent care or walk-in centre based at a NSW public hospital. Please take this opportunity to tell us about the care you received. Your feedback will be used to improve health services for patients.

The questionnaire is easiest to complete online. Once you start the online questionnaire, it is possible to return later to complete it. Please visit the web address below and log in with the following unique username and password.

If you prefer to complete the attached paper questionnaire, please remove this covering letter before placing the completed copy in the enclosed reply paid envelope.

Your information will be treated confidentially. The staff who cared for you will not know whether you have completed the questionnaire and will not be able to see your responses.

If you have any questions or need help filling in the questionnaire, please contact the toll-free Patient Survey Helpline on **1800 220 936** (Monday to Friday, 9am–8pm), or email your questions to NSWPatientSurvey@ipsos.com (include your username [INS_UNAME] in the subject line).

For further information about the survey program and to see how your local hospital is performing, visit the Bureau of Health Information website at bhi.nsw.gov.au

Thank you very much for taking the time to help improve NSW Health services.

Yours sincerely

Dr Diane Watson
Chief Executive
Bureau of Health Information

HOW TO COMPLETE THE PAPER QUESTIONNAIRE

Please use a blue or black pen to mark an **X** in the box next to the answer you choose.

Sometimes the box you have marked has a 'Go to...' instruction. By following the 'Go to...' instruction you will be able to move past any questions that do not apply to you.

Q59

Were you given or prescribed any new medication to take at home?

If you prefer not to answer a question, leave it blank and continue to the next question.

If someone is helping you to complete the questionnaire, please ensure the answers given are from your point of view, and not the opinion of the person helping you.

PRIVACY INFORMATION

Your privacy is protected by legislation

The Bureau of Health Information (BHI) works with Ipsos to manage the NSW Patient Survey Program on behalf of NSW Health. Your name and address is provided to Ipsos for the purpose of sending you this questionnaire only. Ipsos will keep your contact details confidential.

Your questionnaire responses will be treated in the strictest confidence. Once you have completed the questionnaire, your contact details are removed from the survey results. No identifying information will be given to NSW Health, the hospital or health service you attended, your doctor or any other health professionals unless required by law.

Your answers will be analysed along with the responses from other people who completed the questionnaire. The results will be provided to your local hospital and to NSW Health to help improve services.

You can find more information about privacy and confidentiality at bhi.nsw.gov.au/nsw_patient_survey_program/privacy

The results of all patient surveys in the program are reported publicly on the BHI website at bhi.nsw.gov.au
