- (†) Due to a major upgrade to the hospital's information system the data are not considered reliable enough to report for the July to September 2012 quarter.

Note: All urgency categories include deferred patients as appropriate.

Note: Because staged patients are now reported separately, numbers of surgical procedures by urgency category for this quarter are not comparable to data reported in previous NSW Ministry of Health's *Quarterly Hospital Performance Reports* and Bureau *Hospital Quarterly* reports prior to May 2011.

- (*) Values suppressed due to small numbers and to protect privacy.
- (†) Due to a major upgrade to the hospital's information system the data are not considered reliable enough to report for the July to September 2012 quarter.

Note: All urgency categories include deferred patients as appropriate.

Note: Because staged patients are now reported separately, on-time performance by urgency category for this quarter are not comparable to data reported in previous NSW Ministry of Health's *Quarterly Hospital Performance Reports* and *Bureau Hospital Quarterly* reports prior to May 2011.
