Dear <Title> <Last Name>,

We want to know about your care

I am writing to ask you to take part in the NSW Patient Survey Program by telling us about your recent visit for emergency care at [HOSPITAL NAME] during [MONTH].

The Bureau of Health Information, established by the NSW government to independently report on the performance of the NSW health system, asks thousands of people each year to tell us about the care they received in hospital. Hearing about your recent hospital experience helps us to understand the quality of care you received and it allows hospitals to see where they need to improve.

How do you take part?

There are two ways to complete the questionnaire:

 **Online:** Visit survey.ipsos.com.au/patientsurvey and enter your username [INS_UNAME] and password [INS_PWORD] when prompted

OR

 **Pen and paper:** Simply fill in the questionnaire. To ensure your anonymity, remove this covering letter before placing the completed questionnaire in the Reply Paid envelope.

Your information will be treated as confidential

You have been randomly selected to participate and there are many safeguards in place to protect your identity. The hospital staff who cared for you will not know if you have returned a completed questionnaire and will not be able to see your responses.

If you have any questions or need help filling in the questionnaire, please contact the toll-free Patient Survey Helpline on **1800 220 936** (Monday to Friday, 4pm–8pm). For information about the NSW Patient Survey Program and to see how your local hospital is performing, visit the Bureau of Health Information's website at bhi.nsw.gov.au

Thank you very much for your time helping to improve NSW Health services.

Yours sincerely

Dr Jean-Frédéric Lévesque
Chief Executive
Bureau of Health Information

How to complete the survey

This survey is about your recent experience as an emergency patient in the hospital named on the previous page. This survey uses the term 'Emergency Department' to refer to all emergency care provided by the hospital you visited. If you have been to the Emergency Department more than once during the month specified on the previous page, please answer about your most recent experience.

For each question, please use a blue or black pen to mark the box next to the answer you choose, as shown below.

Example only

How clean were the waiting and treatment areas in the Emergency Department?

- Very clean
 Fairly clean
 Not very clean
 Not at all clean

Sometimes you will find the box you have marked has an instruction to go to another question. By following the instructions carefully you will be able to move past questions that do not apply to you.

If you would prefer not to answer individual questions, leave them blank but please complete the rest of the survey.

If you make a mistake or wish to change a response, simply fill in that box and mark the correct box like this:

If someone is helping you to complete this survey, please ensure the answers given are from your point of view, and not the opinion of the person helping you.

If you prefer a language other than English, please refer to the separate language sheet for information on the Healthcare Interpreter Service.

Please do not write your name or address on the questionnaire.

When you have finished

- ➔ Remove the covering letter by tearing along the perforated line.
- ➔ Place the completed survey in the Reply Paid envelope and post it. You do not have to use a stamp.
- ➔ If you have misplaced the Reply Paid envelope, please mail to our survey processing centre at the following address (no stamp is required):

Some questions and answers

Why are you carrying out the survey?

The NSW Patient Survey gathers information about your experience of health services. By completing the survey, you are helping to improve health services in NSW.

How do I make a formal complaint about my experience in hospital?

Please contact the hospital directly.

Alternatively, you can get more information about your options at the following website:

www.health.nsw.gov.au/patientconcerns

What happens to my survey responses?

Your survey responses will be de-identified and then processed with responses from other people who completed the survey to form a report. These reports will then be provided to NSW Health and local hospitals to help them to improve health services.

Your responses will be treated in the strictest confidence and no identifying information will be given to NSW Health, the hospital or health service you attended, your doctor or other health provider unless required by law. Your responses will not affect any future health services that may be provided to you.

How is my privacy protected?

Your privacy is protected by legislation. Ipsos has been provided with your name and address by NSW Health for the purpose of sending you this survey only, and will keep your contact details confidential.

After all surveys are processed, identifying information will be destroyed and Ipsos will then no longer be able to identify the responses you provided. However, for the period that identifiable details remain, you will be able to contact Ipsos through the toll-free Patient Survey Helpline to ask to see your responses, or to request that some or all of your information be deleted.

You can get more information about privacy and confidentiality by calling the toll-free Patient Survey Helpline or at the following website:

www.bhi.nsw.gov.au/nsw_patient_survey_program/privacy

How do I get more information about the survey?

Please contact the toll-free Patient Survey Helpline on **1800 220 936** (Monday to Friday, 4pm–8pm, excluding public holidays).
